

Dat Dere

(music by Bobby Timmons and lyrics by Oscar Brown Jr.)

A1)

**Hey, Daddy, what's that there? And, what's that under there?
Hey, Daddy, up here! Daddy – hey! – look at that over there!
And, what's that doing there? And, where're they going there?
And, Daddy, can I have that big elephant over there?**

A2)

**Who's that in my chair? And, what's he doing there?
And, Daddy, oh, hey, Daddy, can I go over there?
Hey Daddy, what's a square? And, where do we get air?
And, Daddy can I have that big elephant over there?**

B)

**My quizzical kid! She doesn't want anything here.
Just forever demanding to know who, what, why or where!
Inquisitive child! Sometimes the questions get wild!
Like, Daddy, can I have that big elephant over there?**

A3)

**Don't wanna comb my hair and where's my teddy bear?
And, Daddy, hey! Look at the cowboy coming there!
And, can I have a pair of boots like that to wear?
And, Daddy, can I have that big elephant over there?**
